

## FLEET POWER 15W-40 (API CF-4 PLUS)

### DESCRIPTION:

**LUBRINOX® FLEET POWER 15W-40 CF-4 PLUS** is heavy duty diesel engine oil designed for use in naturally aspirated and turbo charged diesel engines. It is formulated from highly refined base oil and several performance proven additives for the overall protection and performance of engine. **LUBRINOX® FLEET POWER 15W-40 CF-4 PLUS** meets all the required standards of API CF-4 PLUS.

### APPLICATION:

- It is recommended for use in naturally aspirated or turbo charged diesel engines of light and heavy duty vehicles.
- It is also used in the diesel engines used in construction, mining, agricultural and other off highway applications.

### BENEFITS:

- Superior thermo oxidative stability reduces deposits and thus controls wear.
- High shear stability helps in maintaining viscosity.
- Excellent detergency and dispersancy keeps the engine clean.
- Longer service life.
- Better corrosion protection to the engine parts.

### CAUTION:

Avoid prolonged and repeated contact with used engine oil. Used engine oil contains potentially harmful contaminations. Keep out of reach of children. Used engine oil must be disposed of carefully to prevent damage to environment.

### TYPICAL CHARACTERISTICS

|                               |                   |
|-------------------------------|-------------------|
| Appearance, visual            | Bright & Clear    |
| Colour, Visual                | Fluorescent green |
| K. Viscosity, cst at 100 ° C. | 14.5              |
| Viscosity index, mn.          | 130               |
| Total base no., mgKOH/gm      | 9                 |
| Flash point, ° C              | 220               |
| Pour point, ° C               | -27               |
