

## NOX HON 881

### PRODUCT DESCRIPTION:-

**LUBRINOX<sup>(R)</sup> NOX HON 881** is premium quality neat cutting oil specially designed for the honing operations. It is formulated from highly refined low viscosity base stock and selected performance additives to impart proper lubricity and extreme pressure properties during the operation.

### APPLICATIONS:

- 1) Recommended for the honing of steel liners, ball bearing races and super finishing operation.

### BENEFITS:

- 1) Provide extended tool life.
- 2) Excellent surface finish.
- 3) Non-staining.
- 4) Very low top-up.

### PRECAUTION:

Avoid prolonged and repeated contact with used oil. Used oil contains potentially harmful contaminants. Keep out of reach of children. Used oil must be disposed off carefully to prevent damage to environment.

### AVAILABLE PACK SIZE:

20 Ltr, 50 Ltr, 210 Ltr

### TYPICAL CHARACTERISTICS:

Appearance	Clear red light
K.V. @ 40°C, cst	05
Flash Point°C, COC, min	120
Copper Corrosion at 100°C for 3 Hrs	1b
